

Online Giving

We use Adventist Giving, a service of the NAD of the Seventh-day Adventist World Church. Take a look at the FAQ's and Video below to see what this new service is. Have fun! :)

Follow these 4 easy steps to create and use your account:

- 1.** Click [here](#) to go to the Greensboro Adventist Giving Page. Please *bookmark* it). You will see the church name, address and Pastor's name in the top right corner.
- 2.** Create a new account (your email and password, please note your password must contain a special character, such as: *&^%\$#@!~.,/?)
- 3.** Click on the link to register your email address, you will receive a confirmation link in your inbox and you are ready to give. Follow the instructions to log into your account.
- 4.** You will see several different funds under the same headings shown on a tithe envelope. Fill in the amount you would like to give. For additional funds click the "Add more offering ..." link. Check the offerings you want to donate to. At the bottom you will see World Offering Search, here you can add more funds to your envelope. For example type "Sabbath School" in the search bar. Several more options will appear. For Sabbath School Missions put a check next to "Sabbath School-Regular". Go to the top of the page and click the link "Add selected offering to envelope". This will take you back to your tithe envelope, fill in the amount you are giving and click the link at the bottom of the page to pay by check or debit card.
